

Default Question Block

This survey has been designed to assess your experience with digital media assignments. Any information you provide will be confidential, and any identifying information you provide will only be used to link this initial survey with a follow-up survey that was conducted later in the semester. There are no risks associated with completing this survey, and your instructor will never see your name or other identifying information associated with your responses. Your participation is voluntary, and greatly appreciated.

This survey is being administered across 20 classes this academic year as part of an Engage Award Program. The results of the survey will be used to identify best practices in facilitating and using digital media assignments. We appreciate your participation.

Participants who complete this initial survey AND complete the follow-up survey will have the option of being entered into a random drawing for an 8 GB iPod touch. Two winners will be notified at the end of the semester by the Engage Program and winners will be posted on our website (www.engage.doit.wisc.edu).

If you have any comments, questions, or concerns about this survey or the incentive drawing, please email the Engage evaluator, Lindsey Schmidt at lindseyj.schmidt@doit.wisc.edu.
